**Subject:** July 10 NDEP/EPA/AR Anaconda/Yerington mine site meeting - Requested Items

Greg and Andrew – During the July 10, 2015 meeting, EPA and NDEP requested that Atlantic Richfield provide copies of:

1. The draft environmental covenant previously sent to SPS for consideration, and
2. Our listing of issues for discussion with BLM.

Both items are attached here. Let me know if you have any related questions.

(We will be responding to Greg's request for comments on the meeting summary and a breakdown of ARC's OU8 O&M costs next week.)
